## Digital Photography

Welcome to the wonderful world of digital photography! If you want to learn how to use your compact digital camera properly and improve your "hit rate" then this course is for you.

You will learn to capture the best photographs you can and we help you come to grips with the functionality of the camera, and the choices that you can make to capture those great memories perfectly. This course has been specifically designed for users with compact digital cameras and you'll be amazed at how quickly your results can improve with a little bit of knowledge! If you are a Scrap booker this course is ideal for improving your photographic skills.

The course is hands-on and practical to help you come to grips with the concepts taught in class. It is presented on one evening a week over two consecutive weeks - or in the mornings if you want to get a group of friends together.

### LESSON 1
